EXPLANATORY MEMORANDUM

This Explanatory Memorandum is to be read in conjunction with the Notice of Meeting of the Company to be held at 3.00pm (Melbourne time) on Monday 14th May 2018, at the Rendezvous Hotel, Heritage Lounge, Level 1, 328 Flinders Street, Melbourne.

The purpose of this Explanatory Memorandum is to provide information to Shareholders in deciding how to vote on the Resolutions set out in the Notice of Meeting.

The Directors recommend that shareholders read the Notice of Meeting and this Explanatory Memorandum before making any decision in relation to the Resolutions.

Defined terms used in this Explanatory Memorandum are set out in the Glossary at the end of this Explanatory Memorandum.

Item 1 – Financial Statements and Results

The Corporations Act requires the Company's Financial Report (which includes financial statements, notes to the financial statements and Directors' declaration), the Directors' Report and the Auditor's Report to be laid before the Annual General Meeting. There is no requirement either in the Corporations Act or the Company's Constitution for Shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Shareholders will be given a reasonable opportunity to ask questions and make comments on these reports, and on the management of the Company.

Item 2 – Remuneration Report

The Company has included in the Annual Report a detailed Remuneration Report setting out prescribed information relating to the remuneration of the Company's Directors and key management personnel (together, the "KMP").

The Remuneration Report contains the following:

- The remuneration details of each KMP and the Group Executive Plan; and
- Details of performance conditions and how they are measured.

The vote on this Item is advisory only and will not bind the Directors or the Company. However, the Board will take into account any Shareholder discussion on this Resolution and the outcome of the vote when considering the future remuneration arrangements of the Company.

In accordance with provisions of the Corporations Act known generally as the "two strikes rule", Shareholders should note that if 25% or more of the votes cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, a resolution will be put to Shareholders at the second AGM (a "spill resolution") that if passed, will require another meeting be held within 90 days. At that meeting, the Company's Directors (other than the Managing Director), who held office when it was resolved to put the Directors' Report to the second AGM and who wish to continue as a Director, must stand for re-election.

Directors' Recommendation

The Board unanimously recommends that you vote in favour of this non-binding ordinary Resolution. It is noted that each Director has a personal interest in their own remuneration from the Company as set out in the Annual Report,

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 2.

If you do not wish to appoint the Chairman of the Meeting to vote in favour of Resolution 2, it will be important for you to complete the voting directions in respect of Resolution 2 on Step 2 of the Proxy Form.

Voting Exclusion Statement

No votes can be cast on Resolution 2 by or on behalf of a member of KMP (details of whose remuneration are included in the Remuneration Report) and their closely related parties (collectively referred to as "Prohibited Voters"). However, a Prohibited Voter may vote directed proxies for someone other than a Prohibited Voter.

Further, a member of KMP (regardless of whether or not their remuneration details are disclosed in the Remuneration Report) and their closely related parties may not vote a proxy on Resolution 2 unless it is a directed proxy and the vote is not cast on behalf of a Prohibited Voter.

However, the Chairman of the Meeting can vote undirected proxies, provided the proxy expressly authorises the Chairman to do so.

Item 3 – Re-election of Director – Mr. Owen Hegarty

In accordance with Article 47(a) of the Company's Constitution, Mr. Owen Hegarty retires from the Board and seeks re-election as a Director at the Meeting.

Mr. Hegarty is an Independent Non-Executive Director of the Company and Chairman of both the Audit, Risk and Compliance Committee and the Nomination and Remuneration Committee. Mr Hegarty was appointed a Director on 8 October 2010.

Mr. Hegarty has more than 40 years' experience in the mining industry. He had 24 years with the Rio Tinto Group, then founded and led Oxiana Ltd for 12 years. He is a founder of Tigers Realm Coal Ltd. He founded and is currently Executive Chairman of EMR Capital, a specialist resources private equity firm. He is also a Non- Executive Director of ASX listed Highfield Resources Limited. Until the end of 2016 he was Vice Chairman and Non-Executive Director of Fortescue Metals Group Ltd. Mr. Hegarty has received a number of awards recognising his service to the mining industry and presently serves on a number of Government and industry advisory groups.

Directors' Recommendation

The Board (other than Mr. Hegarty) unanimously recommends that you vote in favour of Mr. Hegarty's re-election as a Director of the Company.

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 3

If you do not wish to appoint the Chairman of the Meeting to vote in favour of Resolution 3, it will be important for you to complete the voting directions in respect of Resolution 3 in Step 2 of the Proxy Form.

Item 4 – Approve the insertion of the proportional takeover approval provisions in the Constitution

Resolution 4 seeks member approval for the Company to insert proportional takeover bid approval provisions (set out in full in the Schedule to this Explanatory Memorandum) ("Approval Provisions") in the Company's Constitution.

The proportional takeover bid approval provisions (in the same form as the Approval Provisions) ("Previous Approval Provisions") were most recently inserted into the Company's Constitution on 12 May 2015. In accordance with the Corporations Act and the Company's Constitution, the Previous Approval Provisions will cease to apply on 12 May 2018, 3 years after last adoption.

The Board considers that it is in the best interests of members of the Company to reinsert the Approval Provisions in its Constitution.

(a) Approval provisions

Under the Corporations Act, a company may include in its constitution a provision to enable the company to refuse to register shares acquired under a proportional takeover bid unless a resolution is passed by the members in a general meeting approving the bid.

As noted above, the Board considers that it is in the best interests of members for the Company to have proportional takeover provisions in its Constitution.

(b) Proportional takeover bids

A proportional takeover bid is an off-market takeover offer sent to all members but only in respect of a specified portion of each member's Shares in the Company (ie less than 100%).

(c) Effect on proposed proportional takeover provisions

If a proportional takeover bid is made, the Board must ensure that a meeting of members is held, in general, more than 14 days before the last day of the bid period, at which members will consider a resolution to approve the proportional takeover bid. For the resolution to be approved, it must be passed by a simple majority of votes at the meeting, excluding votes of the bidder and its associates (as that term is defined in the Corporations Act).

If the resolution is not voted on within the required timeframe, the resolution is taken to have been approved. If the resolution is approved or taken to have been approved, all valid transfers of Shares under the proportional takeover bid must be registered.

If the resolution is not passed, the offer under the takeover bid will be taken to have been withdrawn and no transfer of Shares will be registered as a result of the proportional takeover bid. Acceptances will be returned and any contracts formed by acceptances will be rescinded.

The proposed Approval Provisions will expire 3 years after their adoption unless renewed by a further special resolution.

The Approval Provisions do not apply to full takeover bids.

(d) Reason for proposing the Resolution

A proportional takeover bid may result in effective control of the Company changing hands without members having the opportunity of disposing of all their Shares. Members are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium for all Shares.

The proposed Approval Provisions will allow members to decide whether a proportional takeover bid is acceptable and should be permitted to proceed.

(e) Presently proposed acquisitions

As at the date of preparation of this Explanatory Memorandum, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(f) Potential advantages and disadvantages

The Board considers that the Approval Provisions have no potential advantages or disadvantages for the Directors. They remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted or not.

The potential advantages for members of the Approval Provisions include:

- (i) Members have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (ii) The Approval Provisions may help members to avoid being locked in as a minority;
- (iii) The Approval Provisions increase members' bargaining power and may assist in ensuring that any proportional takeover bid is adequately priced; and
- (iv) Knowing the view of the majority of members may help each individual member assess the likely outcome of the proportional takeover bid and decide whether to accept or reject an offer under the bid.

The potential disadvantages for members of the Approval Provisions include:

- (i) Proportional takeover bids for Shares in the Company may be discouraged;
- (ii) Members may lose an opportunity to sell some of their Shares at a premium; and
- (iii) The likelihood of a proportional takeover succeeding may be reduced.

When the Previous Approval Provisions were in effect between 2015 and 2018, there were no takeover bids for the Company. The Board is not aware of any potential takeover bid that was discouraged by the Previous Approval Provisions.

The Board do not believe that the potential disadvantages outweigh the potential advantages of inserting the Approval Provisions for 3 years.

Directors' recommendation

The Board unanimously supports the approval of the insertion of the Approval Provisions in the Constitution and recommends that members vote in favour of Resolution 4.

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 4.

If you do not wish to appoint the Chairman of the Meeting to vote in favour of Resolution 4, it will be important for you to complete the voting directions in respect of Resolution 4 in Step 2 of the Proxy Form.

Item 5 - Approval of additional 10% placement facility

(a) Purpose of Resolution

The purpose of Resolution 5 is to authorise the Company to issue a number of equity securities broadly equal to 10% of its issued share capital through one more placements under ASX Listing Rule 7.1A over a 12 month period commencing immediately after the date of the Annual General Meeting. This is in addition to and without using the Company's 15% placement capacity under ASX Listing Rule 7.1. This effectively

provides the Company with a total placement capacity of 25% less that part of its placement capacity not available under ASX Listing Rule 7.1.

(b) **General information**

ASX Listing Rule 7.1A enables “eligible entities” to issue a number of equity securities broadly equal to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (“10% Placement Facility”). The 10% Placement Facility is in addition to a company's 15% placement capacity under ASX Listing Rule 7.1. An “eligible entity” for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 index and has a market capitalisation of \$300 million or less.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of less than \$300 million. The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility. The exact number of equity securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section (c)(iii) below).

(c) **Description of ASX Listing Rule 7.1A**

(i) **Shareholder approval**

The ability to issue equity securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

(ii) **Equity securities**

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue one class of quoted equity securities, namely Shares (ASX Code: TIG).

(iii) **Formula for calculating 10% Placement Facility**

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- a)* plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- b)* plus the number of partly paid shares that became fully paid in the 12 months;
- c)* plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- d)* less the number of fully paid shares cancelled in the 12 months.

Note that *A* has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rule 7.1 or 7.4.

(d) Specific information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the below information is provided in relation to the approval of the 10% Placement Facility:

- (i) The equity securities will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's equity securities over the 15 trading days immediately before:
 - (a) the date on which the price at which the equity securities are to be issued is agreed; or
 - (b) if the equity securities are not issued within 5 trading days of the date in paragraph (a) above, the date on which the equity securities are issued.

- (ii) If Resolution 5 is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the voting power in the Company of existing Shareholders who do not receive any equity securities under any such issues will be diluted as shown in Table 1. There is a risk that:
 - a) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of the annual general meeting; and
 - b) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date.

Table 1 shows the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at 22 March 2018.

- (iii) Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:
 - (a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained (which, in the case of this Resolution, will be 14 May 2019); or
 - (b) the date of the approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if granted a waiver by the ASX,("10% Placement Period").

- (iv) The Company may seek to issue the equity securities for the following purposes:
 - (a) non-cash consideration for the acquisition of new assets and other investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3; or
 - (b) cash consideration. In such circumstances, the Company may use the funds raised towards an acquisition of new assets or other investments (including any expenses

associated with such acquisitions), continued exploration and feasibility study expenditure on the Company's current assets, further drilling at Amaam and Amaam North, development and construction of Project F (located at Amaam North) and/or general working capital.

- (v) The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any equity securities under the 10% Placement Facility. The Company's allocation policy will be dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to a range of factors, including but not limited to, the following:
- (a) the methods for raising funds that are available to the Company, including but not limited to, a rights issue and other fundraising structures in which existing security holders can participate;
 - (b) the effect of the issue of the equity securities on the control of the Company;
 - (c) the financial situation and solvency of the Company; and
 - (d) advice from corporate, financial and broking advisers (if applicable). The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not Related Parties or Associates of a Related Party of the Company.
- (vi) The Company has previously obtained approval under ASX Listing Rule 7.1A. Accordingly, in accordance with ASX Listing Rule 7.3A.6, set out below are details of all equity securities issued by the Company in the 12 months preceding the date of the Meeting.

During the 12 months preceding the Meeting, the Company issued a total of 37,074,000 options. This represents [2%] of the total number of equity securities on issue as at the start of that 12 month period.

Details of all equity securities issued during the 12 months preceding the Meeting are set out below:

Number of equity securities issued	Class of equity securities issued and a summary of the terms of that class	Name of persons to whom equity securities were issued or the basis on which those persons were determined	Price at which equity securities were issued and any discount to closing market price on date of issue	If issue was for cash, total cash consideration, amount of cash spent, what it was spent on, and intended use for any remaining cash	If issue was for non-cash consideration, the non-cash consideration that was paid and the current value of that non-cash consideration

Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 5.

If you do not wish to appoint the Chairman of the Meeting to vote in favour of Resolution 5, it will be important for you to complete the voting directions in respect of Resolution 5 in Step 2 of the Proxy Form.

Voting Exclusion Statement

Pursuant to ASX Listing Rules 7.3A.7 and 14.11, the Company will disregard any votes cast on this Resolution by:

- a) a person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue of equity securities under the 10% Placement Facility (except a benefit solely by reason of being a Shareholder), if this Resolution is passed; and
- b) any Associate of a person referred to in paragraph (a) above.

The Company need not, however, disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or it is cast by the Chairman as a proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the proposed issue of the equity securities (if any). No existing Shareholder's votes will therefore be excluded under the voting exclusion.

Table 1

Table 1 shows the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the dates specified below. The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on issue	Number of Shares that may be issued under 10% Placement Facility	Dilution (10%)		
		Funds raised based on issue price of \$0.024 (50% decrease in current issue price)	Funds raised based on issue price of \$0.047 (Current issue price)	Funds raised based on issue price of \$0.071 (50% increase in current issue price)
1,791,669,870 (Current)	179,166,987	\$4,300,008	\$8,420,848	\$12,720,856
2,687,504,805 (50% increase)	268,750,480	\$6,450,012	\$12,631,272	\$19,081,284
3,583,339,740 (100% increase)*	358,333,974	\$8,600,015	\$16,841,697	\$25,441,712

*The number of Shares on issue (variable A in the formula) could increase as a result of the issues of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table has been prepared on the following assumptions:

1. The current issue price set out above is the closing price of the Shares on the ASX on 22 March 2018.
2. The current number of Shares on issue set out above is the number of Shares on issue as at 5.00pm on 22 March 2018.
3. The Company issues the maximum number of equity securities available under the 10% Placement Facility.
4. No Options are exercised into Shares before the date of the issue of the equity securities.
