

Tigers Realm Coal is pleased to provide the following additional information in relation to its Release on 4 March 2019 titled “Market Update”

1. Expanded detail in relation to Coal Supply Contract signed on February 28, 2019

TIG is pleased to advise that the Contract was concluded with JFE Shoji for up to 100kt of thermal coal.

2. Project Summary- Page 2 of Release

We provide the following additional information in relation to the combined resources of 632Mt for Amaam and Amaam North.

The information on the above resource estimates was reported as follows;

Amaam 521Mt on 9 July 2015 (3 Mt Measured, 91 Mt Indicated, 427Mt Inferred)

Amaam North 110.6 Mt on 12 April 2016 (22 Mt Measured, 55.7 Mt Indicated, 32.9 Mt Inferred)

The Company confirms that it is not aware of any new information or data that materially affects the information included in these original market announcements and that all material assumptions and technical parameters underpinning the ore resource estimates continue to apply and have not materially changed.

The Company confirms that the form and context in which the Competent Persons’ findings, as presented, have not materially modified from the original market announcements.
