EXPLANATORY MEMORANDUM

Item 1 – Financial Statements and Results

The Corporations Act requires the Company's Financial Report (which includes financial statements, notes to the financial statements and Directors' declaration), the Directors' Report and the Auditor's Report to be laid before the Annual General Meeting. There is no requirement either in the Corporations Act or the Company's Constitution for Shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Shareholders will be given a reasonable opportunity to ask questions and make comments on these reports, and on the management of the Company.

Item 2 – Remuneration Report

The Company has included in the 2016 Annual Report a detailed Remuneration Report setting out prescribed information relating to the remuneration of the Company's Directors and key management personnel (together, the "KMP").

The Remuneration Report contains the following:

- The remuneration details of each KMP and the Group Executive Plan; and
- Details of performance conditions and how they are measured.

The vote on this Item is advisory only and will not bind the Directors or the Company. However, the Board will take into account any Shareholder discussion on this Resolution and the outcome of the vote when considering the future remuneration arrangements of the Company.

In accordance with provisions of the Corporations Act known generally as the "two strikes rule", Shareholders should note that if 25% or more of the votes cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, a resolution will be put to Shareholders at the second AGM (a "spill resolution") that if passed, will require another meeting be held within 90 days. At that meeting, the Company's Directors (other than the Managing Director), who held office when it was resolved to put the Directors' Report to the second AGM and who wish to continue as a Director, must stand for re-election.

Directors' Recommendation

The Board unanimously recommends that you vote in favour of this non-binding ordinary resolution.

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 2.

If you do not wish to appoint the Chairman of the Meeting to vote in favour of Resolution 2, it will be important for you to complete the voting directions in respect of Resolution 2 on Step 2 of the Proxy Form.

Voting Exclusion Statement

No votes can be cast on Resolution 2 by or on behalf of a member of KMP (details of whose remuneration are included in the Remuneration Report) and their closely related parties (collectively referred to as "Prohibited Voters"). However, a Prohibited Voter may vote directed proxies for someone other than a Prohibited Voter.

Further, a member of KMP (regardless of whether or not their remuneration details are disclosed in the Remuneration Report) and their closely related parties may not vote a proxy on Resolution 2 unless it is a directed proxy and the vote is not cast on behalf of a Prohibited Voter.

However, the Chairman of the Meeting can vote undirected proxies, provided the proxy expressly authorises the Chairman to do so.

Item 3 – Re-election of Directors

Item 4 – Staff Option Plan

In 2010 the Company established a Staff Option Plan to assist in the attraction, motivation and retention of senior executives and employees and encourage their personal commitment and contribution to the Company. The terms of the Staff Option Plan were set out in the Company's Prospectus dated 15 August 2011.

Approval is sought under exception 9 of the Listing Rule 7.2 to "refresh" the 3 year period in which options can be granted under the Option Plan without detracting from the Company's capacity to issue equity securities (without shareholder approval) within the 15% limit under ASX listing Rule 7.1. The Option Plan was previously refreshed by the Company at its Annual General Meeting in May 2014.

The ASX Corporate Governance Council's Principles of Good Governance and Best Practice Recommendations also recommend that executive staff incentive schemes be approved by shareholders.

As Directors may participate in the Option Plan, they make no recommendation to shareholders in relation to voting on this resolution. It should be noted that any future grants of options under the Option Plan to Directors, or other related parties of the Company, will require separate shareholder approval.

ELIGIBILITY

Pursuant to the Staff Option Plan, options to acquire Shares may be offered to eligible employees. All full time and part time employees of the Group, including directors, or such other persons and the Board in its discretion determines, are eligible employees for the purpose of the Staff Option Plan.

TERMS AND CONDITIONS

Each option entitles the holder to acquire one Share by paying the exercise price once the option has vested and the relevant vesting conditions (including time or performance conditions) have been satisfied, or waived by the Board at its discretion. Options cannot be transferred without the prior approval of the Board. Options expire seven years from date of grant unless a different expiry period is determined by the Board at the date of grant.

CESSATION OF EMPLOYMENT

Unvested options expire on the date a participant ceases to be employed by the Company. Vested Options expire 90 days from the date a participant ceased to be employed by the Company in special circumstances (i.e. death, total and permanent disablement) or 30 days from the date the participant ceases to be employed by the Company in all other circumstances.

EXPIRY OR FORFEITURE OF OPTIONS

Options subject to vesting conditions are forfeited by a participant if the vesting conditions are not or cannot be satisfied. A participant will also forfeit any unvested options if they commit fraud, gross misconduct or a serious breach of their obligations relating to the Company's affairs. Options will also expire as a result of termination of a participant's employment with the Company as provided above.

CHANGE OF CONTROL

On a change of control of the Company, the Board has discretion and subject to such terms and conditions as it determines, to waive vesting conditions applicable to any unvested options.

OTHER TERMS

The Staff Option Plan contains other customary terms including in relation to new issues and change in capital structure, administration of the Staff Option Plan and amendment to the Staff Option Plan rules. The number of options issued under the Staff Option Plan since it was last refreshed by the Company at its Annual General Meeting in May 2014 is 8,084,074.

A copy of the rules of the Option Plan is available from the Company's registered office.

VOTING EXCLUSION

Pursuant to ASX Listing Rules 7.2 and 14.11.1, the Company will disregard any votes cast on this Resolution by a Director and an Associate of that person.

The Company need not, however, disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the proxy form, or it is cast by the person chairing the meeting as a proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Further, a member of KMP and their closely related parties may not vote as a proxy on this resolution if the appointment does not specify how the proxy is to vote. However, the Chairman can vote undirected proxies, provided the proxy expressly authorises the Chairman to do so.

Item 5 - Approval of additional 10% placement facility

(a) Purpose of resolution

The purpose of Resolution 5 is to authorise the Company to issue a number of equity securities broadly equal to 10% of its issued share capital through one more placements under ASX Listing Rule 7.1A over a 12 month period commencing immediately after the date of the Annual General Meeting. This is in addition to and without using the Company's 15% placement capacity under ASX Listing Rule 7.1. This effectively provides the Company with a total placement capacity of 25% less that part of its placement capacity not available under ASX Listing Rule 7.1.

(b) General information

ASX Listing Rule 7.1A enables "eligible entities" to issue a number of equity securities broadly equal to 10% of its issued share capital through placements over a 12 month period after the annual general meeting ("10% Placement Facility"). The 10% Placement Facility is in addition to a company's 15% placement capacity under ASX Listing Rule 7.1. An "eligible entity" for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 index and has a market capitalisation of \$300 million or less.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of less than \$300 million. The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility. The exact number of equity securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section (c)(iii) below).

(c) **Description of ASX Listing Rule 7.1A**

(i) **Shareholder approval**

The ability to issue equity securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

(ii) **Equity securities**

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue one class of quoted equity securities, namely Shares (ASX Code: TIG).

(iii) **Formula for calculating 10% Placement Facility**

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- a)* plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- b)* plus the number of partly paid shares that became fully paid in the 12 months;
- c)* plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- d)* less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rule 7.1 or 7.4.

(d) **Specific information required by ASX Listing Rule 7.3A**

Pursuant to and in accordance with ASX Listing Rule 7.3A, the below information is provided in relation to the approval of the 10% Placement Facility:

- (i) The equity securities will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's equity securities over the 15 trading days immediately before:
 - (a) the date on which the price at which the equity securities are to be issued is agreed; or
 - (b) if the equity securities are not issued within 5 trading days of the date in paragraph (a) above, the date on which the equity securities are issued.

- (ii) If Resolution 5 is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in Table 1. There is a risk that:
- a) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of the annual general meeting; and
 - b) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date.

Table 1 shows the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at 24 March 2017.

- (iii) Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:
- (a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
 - (b) the date of the approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if granted a waiver by the ASX ("10% Placement Period").
- (iv) The Company may seek to issue the equity securities for the following purposes:
- (a) non-cash consideration for the acquisition of new assets and other investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3; or
 - (b) cash consideration. In such circumstances, the Company may use the funds raised towards an acquisition of new assets or other investments (including any expenses associated with such acquisitions), continued exploration and feasibility study expenditure on the Company's current assets, further drilling at Amaam and Amaam North, development and construction of Project F (located at Amaam North) and/or general working capital.
- (v) The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any equity securities under the 10% Placement Facility. The Company's allocation policy will be dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to a range of factors, including but not limited to, the following:
- (a) the methods for raising funds that are available to the Company, including but not limited to, a rights issue and other fundraising structures in which existing security holders can participate;
 - (b) the effect of the issue of the equity securities on the control of the Company;
 - (c) the financial situation and solvency of the Company; and
 - (d) advice from corporate, financial and broking advisers (if applicable). The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not Related Parties or Associates of a Related Party of the Company.

- (vi) The Company has previously obtained approval under ASX Listing Rule 7.1A. Accordingly, in accordance with ASX Listing Rule 7.3A.6, set out below are details of all equity securities issued by the Company in the 12 months preceding the date of the Meeting.

During the 12 months preceding the Meeting, the Company issued a total of 895,834,935 shares. This represents 96.9% of the total number of equity securities on issue as at the start of that 12 month period.

Details of all equity securities issued during the 12 months preceding the Meeting are set out below:

Number of equity securities issued	Class of equity securities issued and a summary of the terms of that class	Name of persons to whom equity securities were issued or the basis on which those persons were determined	Price at which equity securities were issued and any discount to closing market price on date of issue	If issue was for cash, total cash consideration, amount of cash spent, what it was spent on, and intended use for any remaining cash	If issue was for non-cash consideration, the non-cash consideration that was paid and the current value of that non-cash consideration

280,834,371 Shares	Ordinary shares	Balance of shares issued to ordinary shareholders under the Entitlement Offer announced to ASX on 29 June 2016	2.6c nil discount	\$7.3m Continued exploration and development of TIG's projects in Chukotka, Russian Federation	NA

Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 5.

If you do not wish to appoint the Chairman of the Meeting to vote in favour of Resolution 5, it will be important for you to complete the voting directions in respect of Resolution 5 in Step 2 of the Proxy Form.

Voting Exclusion Statement

Pursuant to ASX Listing Rules 7.3A.7 and 14.11, the Company will disregard any votes cast on this Resolution by:

- a) a person who may participate in the proposed issue of equity securities under the 10% Placement Facility, and any person who might obtain a benefit (except a benefit solely in the capacity of a Shareholder), if this Resolution is passed; and
- b) any Associate of a person referred to in paragraph (a) above.

The Company need not, however, disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the proxy form, or it is cast by the Chairman as a proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion.

Table 1

Table 1 shows the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the dates specified below. The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on issue	Number of Shares that may be issued under 10% Placement Facility	Dilution (10%)		
		Funds raised based on issue price of \$0.03 (50% decrease in current issue price)	Funds raised based on issue price of \$0.06 (Current issue price)	Funds raised based on issue price of \$0.09 (50% increase in current issue price)
1,791,669,870 (Current)	179,166,987	\$5,375,010	\$10,750,019	\$16,125,029
2,687,504,805 (50% increase)	268,750,480	\$8,062,514	\$16,125,029	\$24,187,543
3,583,339,740 (100% increase)*	358,333,974	\$10,750,019	\$21,500,038	\$32,250,058

*The number of Shares on issue (variable A in the formula) could increase as a result of the issues of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table has been prepared on the following assumptions:

- 1 The current issue price set out above is the closing price of the Shares on the ASX on 24 March 2017.
2. The current number of Shares on issue set out above is the number of Shares on issue as at 5.00pm on 24 March 2017
3. The Company issues the maximum number of equity securities available under the 10% Placement Facility.
4. No Options are exercised into Shares before the date of the issue of the equity securities.
